Location and other useful information

The project will take place in **San Miniato**, Italy an ancient town between Florence and Pisa in Tuscany.

San Miniato

All the participants will be lodged in **San Francesco hostel**, a 13th century Franciscan convent perfectly restored and quite cozy. The hostel has wide rooms with 2/3/4 beds, all with private bathroom and shower, wide common spaces and beautiful cloisters. We recommend to take warm clothes and underwear as in March the weather can be still cold and the convent has no central heating in the common spaces while the bedrooms are well heated. A change of linen and towels is guaranteed for the entire week. In case guests require an additional change, they can rent it directly at the hostel (5€ for towels and sheets and 10 € for the same in case they need room service for making bed). All the guests have to keep their rooms and bathrooms clean as no cleaning service is included. Soap, shampoo and anything necessary to personal care is not available in the hostel.

Cloisters and terrace

Bedrooms

Meals and breakfast will be with typical Tuscan food, with local and high quality products served in and outside the hostel.

All the activities will be performed inside the hostel that provides all the common areas and the two cloisters. San Miniato is a quiet and safe village and guests can have a walk and spend their free time in the center, very close to the hostel indeed.

The arrival day is **March the 5th** and the leaving day is **March the 12th**. One day will be dedicated to a flashmob.

How to get there

San Miniato is half way between Florence and Pisa. Both you land in Pisa or Florence airport, you can reach the village by train - San Miniato-Fucecchio train station-. In any case, all the flight should arrive to Pisa airport. Here below the info to reach the hostel from there. In case you'll land at another airport, we'll give you all details.
